

## Best Practice Guidelines for reading at the Family Mass

Please check the rota and if there are any dates you are unable to do let me know. Please **do not** contact Jennifer at the Parish office.

A few things to remember:

- Go to the Sacristy on arrival at Church and tell Father Sean your name and what you are reading i.e. First Reading or Bidding prayers.
- Bow before the altar when going up to read the reading/bidding prayer and when you have finished
- Always adjust the microphone and step to suit you.
- Speak slowly and clearly.
- If reading the Bidding prayers please practice all the prayers and if the other reader does not turn up please read both sections.
- If you are unable to fulfil your slot on the rota, please let me know as soon as possible so that a replacement can be found
